Appln. No: 10/549,423  
Applicant: Hidekazu Suzuki  
Filed: September 15, 2005  
Title: REVOCATION INFORMATION TRANSMISSION METHOD, RECEPTION  
METHOD, AND DEVICE THEREOF  
T.C./A.U.: 2436  
Examiner: Michael S. McNally  
Confirmation No.: 9468

Commissioner for Patents

S I R :

During the interview conducted on June 9, 2010, Applicant's representatives explained the claim language in claim 1. Applicant then described the deficiencies of the applied references Komuro and Candelore. The Examiner suggested that language clarifying that the revocation integrator is separate from the contents transmitting devices and the contents receiving devices would further distinguish the claims over the applied references. Agreement was not reached.

Respectfully submitted,

---
